

## Parking in Dartmouth

Depending on how long you require parking for there are several options available. If you are arriving on a Tuesday or Friday, there is a Market on (in the orange box shown on map), until 4.30, after this time, all these spaces become available and these are all free and unrestricted until 6:30am on the next market day.

All FREE parking restrictions finish at 6pm and start again from 9am (Some start at 8am - check where you park) This means you can take a 2 hour space at 4pm and leave your car there until 11am the next morning.

- **Green** - Free and unrestricted all year round
- **Yellow** - Free and Unrestricted except no marking during Market days Tues and Fri 7am - 5pm (year round)
- **Blue** - Free but with 2 hour time restriction

**Dartmouth Park and Ride is** (probably?) **best** – RingGo loc code: **3480**

For example if you require 3 days, purchase 3 'all day' tickets at £5 each (total £15) and line up 3 tickets in your windscreen.
